RESTORE ALASKA'S COASTAL MANAGEMENT PROGRAM

Bristol Bay Native Corporation and the Alaska Sea Party Campaign cordially invite you to a fundraising event. Alaska is the only coastal state without a Coastal Management Program.

You can change that.

Communities, fishing organizations, Native corporations, villages and leaders across the state are supporting the coastal management initiative because it gives Alaska communities a voice in what happens on our coast.

Your support is important.

The Alaska Sea Party is working quickly to restore Alaska's coastal management program on the primary ballot Aug. 28, 2012.
